## **Pilgrimage: El Camino de Santiago - 2020**

Part of celebrating 80 years of sojourning on the campus of EIU

### **El Camino**

**May 27 – June 30, 2020**

**with various options for shorter trips**

**The Way of St. James** is one of the major Christian pilgrimages, made popular in the Middle Ages. More than a dozen routes lead pilgrims to the Cathedral of St. James located in the town of Santiago de Compostela, Spain.

Since the Middle Ages millions of Christians have made the pilgrimage to Santiago. It fell off in popularity until in the 1980s only a few hundred pilgrims made the journey each year. However, since then hundreds of thousands have made the journey, e.g., in 2017 300,000 went on pilgrimage.

We have decided to offer this pilgrimage to students, faculty, staff, alumni, and friends of the EIU Newman Catholic Community as a way of celebrating our 80 years on campus. It is a chance for us to sojourn together and to deepen our commitment to a life in Christ. As with all pilgrimages, folks will be bringing their own concerns, joys and reasons for going on pilgrimage. The hope is we can be a conduit for you to **discover more fully what God has in store for you in your walk, and to strengthen the work of the Church on campus, via our prayer for the ministry during the pilgrimage.**

#### **What will be happening:**

We will be walking the Francis Way from Pamplano, Spain to Santiago de Compostela. Like all pilgrimages this is a religious journey to a specific location. Each day we will begin with morning prayer, and then pilgrims will make their way to the next stopping point. Since we are organizing this as a group pilgrimage we will be asking folks to make it to the designated stopping point each day. The attached four walking packages give you a breakdown of the walk itself and the distances we will be walking each day. In the evening we will be staying in simple accommodations and sharing meals, reflecting on the day, Mass, and relaxing.

#### **Accommodations:**

We will be staying at a *refugio* or *albergue* each night. These are what we would refer to as hostels. Some are converted convents, some are monasteries, most are places set up as hostels to accommodate pilgrims each and every day. Many of them provide food in the evening called the “pilgrims meal.” There will be opportunities to do laundry, take showers and celebrate Mass every evening.

**More info?** Drop Dianne Timm [dtimm@eiu.edu](mailto:dtimm@eiu.edu) or Roy Lanham [rlanham@eiunewman.org](mailto:rlanham@eiunewman.org) an email. For a couple of good books about the camino with a look at practical things to think

about: *Camino de Santiago, Camino Frances: St Jean - Santiago - Finisterre*, by Anna Dintaman and David Landis or *A Pilgrim's Guide to the Camino de Santiago: St. Jean - Roncesvalles – Santiago*, by John Brierley. You can also search the web. There are wonderful articles and stories about folks who have been on pilgrimage.

**Cost:** Varies. It depends on how long you will be on pilgrimage (one week to the whole month)

We are requiring a *\$100 non-refundable deposit with the application.*

The only other money we will collect will be for the cost of the flight. *For students* your \$100 deposit will go towards your flight. So \$900 (based on the flight costing \$1,000) would be due on *April 1, 2020*. For everyone else your \$100 will go towards renting a vehicle to move our gear each day to our next destination. So for *all others*: \$1,000 is due by *April 1, 2020*.

To see what the total cost of the trip will be, please look at the four trip packages.

The flights are based on a group rate departing and returning via Chicago O'Hare. For those leaving from other cities, your cost may vary, and we would only require the \$100 with your application if you are not flying in with the group.

**Meetings?:** For those living in Charleston or surrounding area. We will gather to answer questions, meet one another and pray for our pilgrimage. We will also be offering some "pilgrimage" walks here in the area in preparation for going to Spain. This gets folks ready to make long walks. We will also use these walks as a chance to prepare our minds and hearts, and not just our bodies, for the journey.

Besides the application, everyone going will have to have notarized a signed waiver for international travel. This is a requirement from the Diocese of Springfield in Illinois for any church sponsored international trip.

**Finally:** This is exciting and we are glad you are interested in taking a step towards going. Please pray about it and think about what God has in store for you, because we do believe going on pilgrimage is a prompting from our Lord. So embrace it and see if this is the right time for you. Blessings, and ask St. James, St. John Henry Newman, St. Philip Neri and St. Hedwig to intercede for you as you make your decision.
